## QUENCH YOUR THIRST FOR HISTORY & GREAT BEER

Speight's has quenched Kiwis' thirst with award-winning beers using the finest ingredients and spring water since 1876. No longer just the "Pride of the South" Speight's has deservedly gone on to become one of New Zealand's most loved and biggest selling beers.

Speight's Gold Medal Ale is the flagship beer that immortalised the legend of the Southern Man; celebrated in story, song and deed here in the south for 140 years.

The Speight's Brewery still occupies the original Rattray St site in Dunedin, where buildings date back to the late 1800s. Some of the employees are almost as old.

## SAMPLE THE BREWERY, THEN SAMPLE THE BEER

The Speight's Brewery tour is an interactive tour through an historic working Brewery. It's a fully guided 90 minute experience that lets you explore one of Dunedin and Otago's biggest icons.

You will see, touch and taste some of the ingredients that go into making our beer and find out how Speight's became a legend in the south. The Brewery recently went through a major re-development but we have left the old Brewery in place purely for visitors to see. We will then show you the contrast from the 1950's vessels by visiting our new brew house where you will discover where the magic happens. Having been on the same site for over 140 years there are certainly a few stories to tell and our guides take great pleasure in sharing these with visitors.

### WHAT YOUR MATES SAY

*This tour was one of the highlights of our trip in NZ. The tour is very informative with the history of Speight's and beer facts. The tour guide made an extra effort in welcoming us and getting the group involved for the 90 minute tour.*

— **gctraveller\_11, Gold Coast**

*Even though I have no interest in beer I actually found this really interesting. It was cool to see some original old fashioned equipment. I still got to enjoy the amazing cider which I was a huge fan of, and plenty of the boys on my Contiki tour ordered Speight's at every bar we went to after this tour. Worth while :)*

### THE SPEIGHT'S SHOP: TAKE THE PRIDE OF THE SOUTH OUT OF THE SOUTH

While you're at the brewery, pop into the Speight's shop. It's a treasure trove of original Speight's glassware, clothing and other bits and pieces.

### THE BEST WAY TO APPRECIATE THE PRIDE OF THE SOUTH IS TO TASTE IT

If you're a beer lover, you're in luck; every tour of Speight's Brewery finishes the way a brewery tour should - with the chance to taste and appreciate six samples of Speight's finest beers.\* You'll even get to go behind the bar to pour one for yourself.

### BECAUSE A BREWERY TOUR SHOULD WHET YOUR APPETITE.

Follow up on your tour with a visit to the original Ale House. All the superb tap ales served at the Ale House are brewed right there on site at Rattray St - just as they have been since 1876.

If you're adding the Ale House package onto your tour, you'll enjoy a superb 2-course lunch or dinner and the 12oz Speight's beer of your choice.

\*The six samples are equivalent to approx. two standard drinks. Alcohol samples will not be served to anyone under 18 years of age.
